SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant submits herewith patents, publications or other information of which the applicant is aware, which may be material to the examination of this application and in respect of which there may be a duty to disclose under 37 CFR 1.56, in addition to the Information Disclosure Statement submitted to the U.S. Patent Office on November 1, 2002.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

The references submitted herein are listed on the PTO-1449 form (modified) enclosed herewith. A copy of each reference listed is being furnished except any duplicate or cumulative patents or publications specified otherwise.

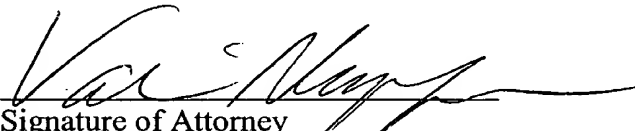

A copy of each foreign language reference is indicated on the PTO-1449 form and is submitted herein with an English summary of each document, as no English translation is readily available for any of the foreign language documents.

The Statement is made on the basis of the information:

_____ supplied by the inventor(s);
 X supplied by an individual associated with the filing and prosecution
_____ of this application (37 CFR 1.56(c)); or
_____ in the attorney's file.

Respectfully submitted,

Date: December 4, 2002
